“ We'd like to express our sincere gratitude for welcoming us to your schools last week. From beginning to end we really were immersed in the practice and thinking which underpins your teaching and learning. It has sparked a lot of conversation both between us, and with other colleagues, as we develop our curriculum, so a huge thank you! Likewise thank you for such a well organised visit, and for such a warm welcome. We know that every school is busy, and to have dedicated your time and expertise is really appreciated. ”
